Respected Sir,

Sub: - Request for issuing direction for suspension of Training: -
reg.

It is known to all of us that the documented cases of Corona virus has been increasing in exponential fashion today. This disease is deadlier than flu and there is reason to fear that the fatality rate could be much higher. So far only one measure has been effective against the coronavirus i.e. extreme social distancing. Different organizations including educational institutions have taken energetic steps by closing it, to increase social distancing before the epidemic reached devastating proportions.

Now, various training programmes are going on at NACIN where our officers are coming from different parts of the country and a considerable gathering originates which is not healthy for present situation. So, it is requested to postpone all types of training, seminars, conference and workshops for the departmental officers until the situation comes under the control.

Thanking you,

Yours' Sincerely

Anubhuti Chatterjee
